

CAMPVENTION VOLUNTEERS

Volunteering is a wonderful, self-satisfying experience. The choices of committees at campvention are varied and many, and you are bound to find one or two that would interest you. Some committees need a great many people to lighten the load, some need only a few. Security and Youth are two that are always in need of help.

Most shifts are approximately one or two hours. The committee chairs will work with you and would be most appreciative of any time you could give them, whether it's one hour, one day, one shift or more. Volunteers donate their time so that others can enjoy themselves. Being a volunteer adds to your enjoyment.

We look forward to working with you.
