

# **Commercial Report**

By  
Paul & Pat Parsley

The commercial building at Campvention was filled to capacity; two vendors and our newest trailer dealer, Total Value RV, were situated outside. Overall, 34 vendors participated and 23 of them are FCRV Commercial Members. Vendors conducted 36 of the 50 seminars and contributed more than 40 door prizes. Did members enjoy spending their \$5 vendor bucks? Considering that \$4,235 worth of vendor bucks were turned in, it appears that they did.

Listed below are our new Commercial Members who participated in Campvention. Please continue to support our Commercial Members throughout the year by visiting the FCRV website and linking to their websites. They are ready to provide you with a variety of products and services.

Web: [www.hemlockhillrv.com](http://www.hemlockhillrv.com)

Type of Business: RV Sales, Service, Parts & Rental

One of our oldest Commercial Members, **Woodalls**, is celebrating its 22<sup>nd</sup> year with FCRV! Woodalls has definitely kept up with technology—check out their website at [www.woodalls.com](http://www.woodalls.com) and you can find campgrounds in a particular area by inputting the location. In addition, they offer a variety of services and information pertinent to all types of campers.

**Amelia Family Campgrounds**, Central Virginia's Family Bluegrass Campground, celebrates its 31<sup>st</sup> year in operation and its 9<sup>th</sup> year with FCRV. Their website [www.ameliafamilycampgrounds.com](http://www.ameliafamilycampgrounds.com) outlines their festival lineup—a heaven on earth for bluegrass lovers and a beautiful section of Virginia.

**Countryside Enterprises** of Harrisburg, PA celebrates its 8<sup>th</sup> year as a Commercial Member. Seems they've been with us longer because they participate at Campventions. It's always a pleasure to see what items and novelties Art and Lorraine have on display and we thank them for being at Campvention 2010.

Also celebrating 8 years is **Mohican State Park Campground** located in Loudonville, OH. It's always nice to spend time at a State Campground and there's so much to see and do in this area.

Celebrating their 7<sup>th</sup> year with FCRV we have **R&N Enterprise**—always a welcome vendor at Campvention and the Retiree Rally. In addition to selling a wide variety of goodies for everyone, R&N Enterprise is the FCRV vendor for FCRV merchandise. We appreciate their continued support.

**Adventure Caravan** also enters its 7<sup>th</sup> year with us. These folks have held seminars at Campventions and planned numerous trips for FCRV members at reduced rates. They continue to develop trips geared for our members and, when possible, around Campvention and/or the Retiree Rally. Let's keep Adventure Caravan in mind when we get that travel feeling.

**A&B Products**, another vendor who routinely participates at Campvention, enters its 7<sup>th</sup> year as a FCRV Commercial Member. Alice and Bob Thompson have a large selection of Sensey electric fragrance jars—just the right touch for every room!

We know that our Canadian FCRV members look forward to a continuing relationship with **On the Road Again Insurance** as they enter their 6<sup>th</sup> year as a Commercial Member. Located in Toronto, On the Road Again Insurance offers a variety of reduced rates for our members. Visit their website at [www.vachoninsce.com](http://www.vachoninsce.com) for a new approach to buying car, house and life insurance.

When traveling through upstate New York and looking for a relaxing campground, visit **Meadow Vale Campground** in Mt. Vision. Meadow Vale Campground, a family owned business, celebrates its 6<sup>th</sup> year with us and offers FCRV members a great discount. We're sure you'll agree that the views from your site are absolutely gorgeous every month of the year.

**Cherry Hill Park** in College Park, MD is celebrating its 6<sup>th</sup> year as a Commercial Member. As the closest RV park and campground to Washington, DC., it is the perfect place to stay while exploring our nation's capital. Transportation into the city is available from the campground multiple times daily. And when you return from a fun day of

touring, relax and take advantage of the two swimming pools, hot tub, sauna and other amenities. Go to [www.cherryhillpark.com](http://www.cherryhillpark.com) for details and reservations.

Need to update that manual vent? **Fantastic Vent** has been a member for 6 years now and generally has an ad in Camping Today. And, as we all know, it's nice to support a family run business. Think about a great piece of equipment to enhance your camping experience and one from a great family run business.

Celebrating 4 years with FCRV is **Arrowhead Point Camping Resort** in Buena Vista, Colorado. We have lots of Colorado FCRVers and know that they enjoy the amenities of Arrowhead Point. If you're traveling through the area, be sure to make your reservation at (719) 395-2323.

**Wekiva Falls Resort & RV Park** in Sorrento, FL has been a Commercial Member for 3 years. Check out their website at [www.wekivaresort.com](http://www.wekivaresort.com) and see how they promote nature, conservation, green tours and outdoor activities. When you view their video images, Wekiva Falls Resort stays in your mind as a place you definitely want to visit—something for every age group. Phone ahead at (407) 830-9828 or e-mail Heidi at [ottheidi@yahoo.com](mailto:ottheidi@yahoo.com)

Entering its second year with FCRV, and a welcomed vendor at Campvention, is **K&P Enterprises/Your Water Filter Source**. K&P offers RV water filters, canisters, reverse osmosis, regulators, connector hoses and brass accessories, fittings, as well as Enviro-Max Plus and Satellite Cellular. You can contact Ken or Paul at [knpenprises@yahoo.com](mailto:knpenprises@yahoo.com) or (206) 369-7724 and they'll be happy to assist you.

**Flags Galore N'More**, another name we know from Campvention, also enters its second year. Like FCRV, this is a family owned and operated business that sells a large selection of flags and accessories--quality products with reasonable prices. They have designed and manufactured 3 and 5 flag holders guaranteed to stick to any clean smooth surface, 3M shield, glass and fiberglass. Browse through their products at [www.flagsgalorenmore.com](http://www.flagsgalorenmore.com) to check out more than 300 different flags.
