

2011 Newsletter Contest Winners

By Melvin Coy

Eight States and Provinces and three chapters submitted their newsletters for the 2011 Newsletter Contest, held in conjunction with the annual Campvention. This year we had some repeat entries and also had some new newsletters entered.

The newsletters are judged 30% for interest and appearance and 70% for information and content. They are critiqued by three independent judges. Entry and judging is done the month preceding the Campvention.
