

RECOMMENDATIONS FOR NATIONAL AWARDS

Campvention will once again be the time for the presentation of awards to persons who have been selected to receive them for their service or other contributions to FCRV, camping, conservation, etc. In some cases they may be awarded at another time or place. You, in the Field, are the best qualified to suggest and nominate the people who should be honored. We request only that you be judicious in your choice of nominations. Please, recommend only those persons who have made unusual contributions to FCRV, camping, conservation or others that fall in line with our specific programs.

The Awards Committee is responsible to the Recording/Corresponding Officer. The committee selections must be approved by the Trustees.

The Awards Committee will evaluate all qualified nominations and make the final selections for those to be awarded Plaques and Citations. The selections will be determined by the point system. Up to five Plaques may be awarded. A total of up to twenty-one (21) entries may be selected for these awards.

A list of all previous recipients of Plaques and Citations is posted at fcrv.org. The list is in alphabetical order so that names can be checked quickly. **Please take the time to check and see if the individuals you are nominating have already been presented with an award. A couple or individual may be considered for an additional Citation if the circumstances warrant. Plaques are only awarded once.**

The committee must have time to study the nominations, make their selections, and present them to the Trustees for approval. It is requested that you fill out the nomination form as soon as possible and return it to the **Recording/Corresponding Officer**. Please give the committee time to make the selections without a last minute rush. It is necessary to have these selections presented to the Executive Board before Campvention.

Please give **complete information in each category** to support the nomination you wish to make. The candidates are **judged only on information supplied by you. Be thorough.** Consulting with the nominee is encouraged. Surprises are nice, but more accurate information is gained by including the nominee in the process. The Awards Committee is instructed to use only information included on the nomination form regardless of whether they are aware of additional activities. Points are given for each category, so the more information you give, the easier it will be for the committee. The number of nominations submitted for a couple or individual is not as important as the giving of **complete, detailed information**, so be specific. Keep your categories separate. Do not overlap chapter, State/Provincial, or National information. If you have more than one nomination to make, you may copy the form. Electronic submission is preferred as it is easier to distribute the documents to the committee. The forms are provided in both Word and pdf and can be copied and pasted into an editable document. Handwritten nominations are discouraged.

Nominations will only be accepted through Field, District, State/Provincial Directors, other members of the Executive Board, and the Trustees. All nomination forms **must be signed by a Director or Trustee or submitted by email from a recognized email address to be valid.**

Chapters who have performed outstanding activities for the betterment of FCRV may also be considered for the “Chapter of the Year” award. That form is enclosed.

Members who have performed outstanding Lifesaving acts may also be considered for a “Lifesaving Award” from FCRV. That form is enclosed.

Members who have performed outstanding humanitarian acts may also be considered for the “Humanitarian Award” from FCRV. That form is enclosed.

PREFERRED – Please submit your nomination electronically if possible. Copy and paste the form into an editable document. The forms are provided in Word and pdf format. The Executive Board has received their copies this way and the State/Provincial and Regional Directors are encouraged to forward the forms to their staff electronically. Please send them as attachments and ignore the request for a signature as the email address from the executive board member submitting the nomination will serve in that capacity. Please indicate your State/Province and position.

When submitting an electronic nomination for **Chapter of the Year**, copy and paste the form you receive into an editable document. The form is provided on the website and sent in both Word and pdf format. Again it is important to be thorough and make sure you include all activities the chapter has participated in for the previous year. Pictures and supporting documents are not used for judging the entry, but could be used for publicity if the chapter is selected.

Be sure to check the top of the form and designate for which award your nomination is being submitted. Also be sure to include the person’s valid mailing address, email address, and phone number.

Your cooperation is appreciated. Additional award information is available in the Field Manual at fcrv.org. The awards forms and instructions and previous recipients are posted at fcrv.org under member’s area/ FCRV documents/ awards.

April 15th is the DEADLINE-----NO extensions

Nomination forms postmarked or email dated after the April 15th date **will not** be considered nor returned.
