# BELONGING TO THE FAMILY CAMPERS & RVERS

THE FRIENDLIEST PEOPLE IN THE WORLD

## What is FCRV all about?

Belonging to Family Campers & RVers is not just one thing - it's a lot of things, just like your family. FCRV is the smell of a campfire and cooking outdoors. FCRV is the sharing of hopes and dreams. FCRV is coming to the aid of someone in need and knowing they would do the same for you. FCRV is a chance to meet other kids and families just like yours. FCRV is preserving the natural resources God has given us.

Most of all, FCRV is renewing old friendships and beginning new ones. FCRV is welcoming your friends into your family and them welcoming you into theirs. Belonging to FCRV is like living in a good neighborhood where the folks next door, across the street, or up the road are real friends you can count on. Best of all you know this neighborhood stretches all over the United States and much of Canada.

FCRV believes that nothing is more important than family. We spend our lives providing for them, but often we never seem to find enough time to spend with them. FCRV provides you with the opportunity to find the joy of sharing in camping experiences while also providing age appropriate activities for your entire family. Children, teens, young adults, married couples and retirees will all find something in FCRV. Visit our web site at [fcrv.org](http://fcrv.org) for more info.

## Chapters are the Heart of FCRV!

FCRV has around 1,000 local chapters in which a group of families set up a schedule and camp together. For many, these chapters are extended families where lifelong friendships are formed.

As a new member you will be made aware of the chapters in your area. You may either camp with them or if you wish, you may want to form a new chapter from family or camper friends you already know.

## Can I camp in other states or provinces?

Beyond your local chapter, there are district, state/province, regional and national campouts. You'll find activities for youth, teens, adults and retirees at these campouts.

The largest campout is the annual National Campvention held every July and the winter Retiree Rally in February or March.

The National Campvention is hosted in one of the regions of the U.S. or Canada and brings together around 1,000 camping families from all over North America.

## How Can I join FCRV?

FCRV is the oldest all volunteer non-profit family camping organization in the U.S. and Canada and like other national RV clubs FCRV offers a host of discounts, benefits, and programs. Annual membership dues are just \$30 (US) per family. Fill out attached application and send to our national office or call (716) 668-6242 or (800) 245-9755 toll free.
