

Dear Family Camper,

Our upcoming ***Trustee Election is in March 2012***. If you would like to vote electronically, you must respond to this email to confirm that the national office has your current e-mail address.

You will receive the necessary “e-ballot” in March only if you respond. Mail-in voting will also be available if you prefer that option. If you choose to vote electronically, however, you will not receive a paper ballot.

Please know how valuable your vote is for our President, Vice President Programs, Vice President Planning and Development, Comptroller, and Recording and Corresponding Officer. Even if a candidate is running unopposed, your vote shows that you have read their platforms and support their ideas.

Thank you for your participation in this upcoming event that is so vital to the prosperity of our organization.

Come Camp With Us!

Family Campers and RVers

Jack Smye  
President
