

UTAH BEEHIVE BUZZ'N

FOUNTAIN of UTE CAMPFIRE CRUISERS

Jan. meetings were combined.

Fountain of Ute and Campfire Cruisers met at Bob and LouAnn Hainsworths where we had a tasty lunch of home made soups, home made hot rolls, salads, and delightful desserts.

We were all amazed that 47 members participated, 43 adults and 4 children. The group combined forces to assemble our "Goodie Bags" for the National Campvention in Colorado, in July. Many hands made the work light, in a short time we had 500 "Bee Bags", packed and in boxes, ready to go.

A short meeting was held by each chapter, Fountain of Ute meeting conducted by Connie Drysdale, and Campfire Cruisers meeting conducted by Carolyn Hall, with a discussion about Spring Fun Rally in April. Drysdales and Halls appreciate the support of FCRV members at the Jan. function. We wish to thank Bob and LouAnn for their hospitality and for the use of their home.

CHAPLAIN'S KORNER

It has been said many times "Patience is a Virtue." This is probably very true. However, patience can be used as a reason to procrastinate or hesitate when you should go ahead and say or do something that should be done right away.

The time to say "I love you" or say a kind word, or do a kind deed is now. If you wait until you "fell the time is right" or say "I'll do it tomorrow", the moment may pass and you will never have the chance to do or say those things that you know you should do, or you should have done. If you hesitate to do these thing, the day may come when you can no longer show your feelings, and the persons you love may never know how you really feel. Take a moment to do the things you need to do to make some one's

life a little lighter or brighter. We can all use a little smile or a kind word.
Show the world how much you appreciate just being alive, and you will feel more alive yourself. Happiness is showing and sharing your feelings while you are to do it.

REMEMBER -

SCRAP BOOKS ARE DUE MAY 10,2007

What is a scrapbook? Webster's Dictionary defines a scrapbook as "A blank book in which miscellaneous items may be pasted or inserted." That makes me wonder if Mr. Webster was a politician: answering a question without defining the answer. I like my definition better: "A depository for memories, history, and information."

GOIN' DUTCH

January found the chapter at K. F. C. in Murray. We had a great meal the started out the meeting with Nancy Mackey swearing in the new officers. We then did some great planning for the upcoming year. We planned the next meeting in March.

March found the chapter a Jeanette Kucharski's home in Layton. We worked on the goodie bags for Nat. Campvention, the worked on the

scrapbook for 2006. After that we had another knockout Pot Luck dinner. We then had a meeting to continue the planning for the upcoming camping season. Discussed Leonard Hight who had surgery last month and Velma Willis who just had some surgery on her thumb. Hope this finds all well with the rest of our Chapter, and State Friends. Look forward to being out camping next month. Hope to see you all there at Spring Fun Rally.

FROM THE HIVE

As your State Directors we will be going to the National Trustees Meeting during the month of March. Hope to bring back lots of info for everyone. We just can't wait to get out and get camping this year. So everyone check the brakes, pack the bearings, clean out the moth balls, turn on the propane, and fill the fridge, lets go camping. We hope to see everyone at Spring Fun Rally.

Our condolences go to Susan & Marvin Yancy. Our love and prayers are with you at this time. Susan's mother Martha Wagstaff recently passed away.
